Page	Title	Authors
1.	Message to ISSMGE Members	C.W.W. Ng, Appointed Board Member
17.	President's Report	Jean-Louis Briaud, ISSMGE President
21.	ISSMGE Foundation Report	Harry Poulos, MPAC Chairman Jean-Louis Briaud ISSMGE President
24.	News from Member Society: The Japanese Geotechnical Society has published "Geo-hazards During Earthquakes and Mitigation Measures -Lessons and Recommendations from the 2011 Great East Japan Earthquake	
26.	Notice from Member Society: Soils and Foundations available online at ScienceDirect in 2012	
28.	Report on Conference Attendance: 14th Pan-American Conference on Soil Mechanics and Geotechnical Engineering (PCSMGE)	G.Q. Sotolongo, Y.G. Haramboure
31.	News from TC211 Ground Improvement	
36.	Improved coastal geotechnics with integrated marine seismic reflection and refraction geophysics: Case Studies	R.J. Whiteley, S.B. Stewart
45.	Commonwealth games village, Delhi – Liquefaction study	
53.	Obituary – Toshio Aboshi (1925-2011)	K. Ishihara
55.	Conference Report – 5th International Conference on Scour and Erosion (ICSE-5)	
57	Conference Report –International Symposium on Ground Technology and Geo-Information (IS-AGTG	
59.	Prof. B. Indraratna : Double Honour for University of Wollongong academic elected as Fellow of ATSE and recipient of Engineers Australia Transport Medal 2011	

60.	Conference News: The 4th Central Asian Geotechnical Symposium on Geo-Engineering for Construction and Conservation of Culture Heritage and Historical Site – Challenges and Solutions	
62.	Event Diary	
68.	Corporate Associates	
71.	Foundation Donors
